June 1st

August 3rd

June 15th

August 17th

June 29th

August 31st

July 13th

Sept. 7th

July 27th

Sept. 28th

INSTRUCTIONS:

Player A and player B both hit tee shots. Player A hits player B's ball (where player B's drive comes to rest). Player B hits player A's ball. Select the ball in the best position and alternate shots until the ball is holed. If the selected ball is the one that player B hit, which would be player A's tee shot, player A would hit the next shot. Once the ball is holed this is the teams score for that hole.
